Section 6. "Lot" shall mean and refer to any platted lot shown upon any recorded subdivision map of any part of the Properties with the exception of Outlot 1 and any park area, and includes any improvements now or hereafter appurtenant to that real estate.

Section 7. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot which is a part of the Properties, including contract purchasers, but excluding those having such interest merely as security for the performance of an obligation.

Section 8. "Properties" shall mean and refer to those lots described in the foregoing "WHEREAS" clause, and such additions thereto as may hereafter be made subject to these Declarations.

ARTICLE II.

MEMBERSHIP AND VOTING RIGHTS

Section 1 - Every owner of a Lot which is subject to assessment by the Association, as provided for in Article III hereof, shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. Membership of any Owner shall terminate upon conveyance of the interest of such person in a Lot to a new Owner.

Section 2. The Association shall have two classes of voting membership consisting of the following:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each lot owned. When more than one person owns an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

- a. When the total votes outstanding in the Class A membership equal eighty percent (80%) of the total votes outstanding for both classes of membership, or
- b. Ten (10) years after the date of filing of this Declaration, or
- c. The written direction of Declarant.

ARTICLE III.

COVENANT FOR ASSESSMENTS

Section 1. **Creation of the Lien and Personal Obligation of Assessments.** The Declarant, for each lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of an instrument of conveyance thereof, whether by deed, lease, land contract or otherwise, and whether or not it shall be so expressed in such instrument of conveyance, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest from the due date at the rate of twelve percent (12%) per annum, and such reasonable late fees as shall be set by the Board of Directors from time to time, shall be a charge on the land and

shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest and late fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the residential and recreational purposes, health, safety and welfare of the Owners and their respective licensees and invitees and for the improvement and maintenance of the Common Facilities. The annual assessments may be used, among other things, to pay the costs of operating and maintaining the Common Facilities; general public liability and hazard insurance, director's liability insurance, workman's compensation insurance, and other appropriate types of insurance; upkeep and maintenance of the park areas; landscaping and landscaping maintenance; wages; payroll taxes, license and permit fees; security; professional services; repairs; replacement; maintenance supplies; and such other items as may be determined by the Board of Directors for the promotion of the purposes of the Association. The Association shall have the obligation to maintain the landscaping and signage on Outlot 1, which is the common entryway to the Properties, in generally good and neat condition.

Section 3. Determination of Amount of Annual Assessments and Time for Making Such Determination. At least fifty (50) days before the beginning of the Association's fiscal year, the Board of Directors shall adopt an annual budget by estimating the amount of money necessary to make payment of all estimated expenses growing out of or connected with those items described in Section 2 for the purpose of assessments. Within thirty (30) days after making the budget, the Board of Directors shall provide a summary of the budget to all Owners and shall set a date for the annual meeting of the members at which the ratification of the budget shall be considered and voted on. In the event the proposed budget is rejected at the annual meeting, the annual budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board of Directors. Promptly upon ratification of the budget for the ensuing year, the Board of Directors shall determine the amount of the annual assessment to be levied against each Lot and shall give written notice to each Owner of the amount of the annual assessment. The omission or failure to fix the assessment or deliver or mail a statement for any period shall not be deemed a waiver, modification or release of Owners to pay the same. In determining the amount of the annual assessment to be paid by the Owners, consideration shall be given to all sources of income of the Association other than the annual assessments. As long as there is a Class B membership, the procedure for budgets, annual assessments and special assessments shall be waived and no assessments shall be levied; and Declarant shall be responsible for operating and maintaining the common entrance.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Facilities, including fixtures and personal property related thereto, or the amount by which the Board of Directors estimate that actual costs, expenses and liabilities of the Association, will exceed those

budgeted for the fiscal year, provided that any assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all lots at such time and in such amount as may be determined by the Board of Directors. Thereafter, the Board of Directors shall fix the amount of the annual assessment in the manner provided in Section 3 and the assessment year shall be deemed to begin on January 1 of one year and end on December 31 of the same year. Assessments may be collected on whatever basis is deemed to be reasonable by the Board of Directors, but in no event less often than annually. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 7. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment, or part thereof, not paid within ten (10) days after the due date shall also bear an additional assessment equal to one-fifth (1/5) of the amount of the unpaid assessment. ~~The Association may bring an action at law against the Owner personally obligated to pay any delinquent assessment, or may foreclose the lien against the Owner's lot in the same manner as mortgages or other liens against real property are enforceable in the State of Nebraska at the time such lien arises. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of the Owner's lot.~~

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall release such lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE IV.

ARCHITECTURAL CONTROL

Section 1. No dwelling, building, fence, other than fences constructed by Declarant, wall, pathway, driveway, patio, patio cover or enclosure, deck, rock garden, treehouse, swimming pool, tennis court, dog house, television or radio antenna, satellite and receiving dishes, flag pole, solar heating or cooling collecting panels, device or equipment, tool shed, or other external improvement, above or below the surface of the ground (hereinafter referred to as any "Improvement") shall be constructed, erected, placed, planted, altered, or otherwise

maintained or permitted to remain on any Lot, nor shall any grading, excavation, or tree removal be commenced without express written prior approval of the Declarant.

Section 2. The Declarant shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the Lot boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. Only exterior colors of certain earthtone hues will be acceptable. In this regard, Declarant intends that the Lots shall form a developed residential community with homes constructed of high quality materials consistent with this Declaration. - b. Complete construction plans, including but not limited to, basement and upper floor plans, floor areas of each level, wall sections, stair and fireplace sections, exterior elevations clearly indicating flues or chimneys, type and extent of siding, roofing, other faces and/or veneer materials, exterior color or colors and landscaping plans.
- c. Concurrent with submission of the plans, Owner shall notify the Declarant of the Owner's mailing address.

Section 4. Written notice of any approval of a proposed Improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans or hand delivered. Such notice shall be mailed or delivered within thirty (30) days after the date of submission of the plans. If written notice of approval is not mailed or delivered within such period, the proposed Improvement shall be deemed refused by the Declarant.

Section 5. After January 1, 1999, all privileges, rights, powers and authority under this Article shall be exercised by and vested in a Committee to be selected by the Association. If such a Committee has not been selected at that time or at any later time, the requirements of this Article shall not be applicable during the period when such Committee is not operating.

ARTICLE V.

GENERAL RESTRICTIONS

Section 1 Residential Purposes Only Each Lot shall be used exclusively for single-family residential purposes, except for such Lots or parts thereof as may hereafter be conveyed or dedicated by Declarant, or its successors or assigns, for use in connection with a Common Facility, or as a church, school, park, or for other non-profit use. Provided, however, this prohibition shall not apply:

- a. To any building or structure that is to be used exclusively by a public utility company in connection with the furnishing of public utility services to the Properties; or

Provided, however, nothing contained herein shall restrict Declarant or its assigns from locating, constructing or moving a temporary real estate and/or construction office on any building site in the Properties to be used during the period of construction on and sale of the Lots within the Properties. Declarant or its assigns may also erect and maintain model homes for sales purposes, and rental and lease purposes, and may operate such office or offices therein for so long as it deems necessary for the purpose of selling, renting or leasing the Properties.

Section 4. Livestock and Poultry Prohibited. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot except that a doghouse shall be permitted provided the construction plans and specifications and the location of the proposed structure have first been approved in writing by the Declarant or the Committee. Dog runs and dog houses shall be placed at the rear of the building, concealed from public view. No animals, livestock, fowl or poultry of any kind shall be raised, bred or kept on any Lot, except that no more than two dogs, cats or other household pets maintained within the dwellings may be kept, provided that they are not kept, bred or maintained for any commercial purposes.

Any exterior lighting installed on any Lot shall either be indirect or of such controlled focus and intensity as not to disturb the residence of any adjacent property.

Section 7. Trash Incinerators. No incinerator or trash burner shall be permitted on any Lot unless the same is incorporated into the dwelling and not exposed to view from the outside of the dwelling. No garbage, trash can, container or fuel tank shall be permitted to remain outside of any dwelling, except for pick-up purposes. During the period of construction, however, there may be occasions when it will be necessary to use temporary propane tanks until gas has been installed in the subdivision, and the temporary installation of these propane tanks is specifically allowed. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling except when in actual use unless completely screened from view from every street and from all other Lots in the Properties. No garbage, refuse, rubbish or cutting shall be deposited on any street, road or Lot.

Section 8. General Building Restrictions. All homes constructed on said Lots must have two-car garages. All homes must have a minimum building setback from the closest part of the building to front lot line of at least twenty-five (25) feet. All exposed foundations of each improved Lot facing the public or private street (front) shall be faced with brick, and all other foundations shall be painted to harmonize with the exterior of the building.

Section 9. Maintenance of Vegetation and Equipment Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards so as not to be visible from public view. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create

a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of twenty-four (24) inches.

Section 10. **Vehicles, Trailers and Equipment.** No repair of any boats, automobiles, motorcycles, trucks, campers or similar vehicles requiring a continuous time period in excess of forty-eight (48) hours shall be permitted on any Lot at any time; nor shall vehicles offensive to the neighborhood be visibly stored, parked or abandoned on any Lot. No unused building material, junk or rubbish shall be left exposed on the Lot except during actual building operations, and then only in as neat and inconspicuous a manner as possible. No grading or excavating equipment, tractors or semi-tractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets. However, this Section 10 shall not apply to trucks, tractors or commercial vehicles which are necessary for the construction of residential dwellings during their period of construction.

Section 11. **Telephone Installation.** In the event ninety percent (90%) of all Lots within the Subdivision are not improved within five (5) years after the date on which U.S. West Communications, Inc. files notice that it has completed installation of telephone lines to all of the Lots covered by these Covenants in the Subdivision (herein the "Subdivision Improvement Date"), then U.S. West Communications, Inc. may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority. The connection charge described herein shall be void and nonassessable in the event construction shall have commenced on at least ninety percent (90%) of the Lots subject to these covenants within five (5) years from the date U.S. West Communications, Inc. files the above-described notice. Should such charge be implemented by U.S. West Communications, Inc. and remain unpaid, then such charge may draw interest at the rate of ten percent (10%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) U.S. West Communications, Inc. sends each owner of record a written statement or billing for Four Hundred Fifty Dollars (\$450.00) for each unimproved Lot.

ARTICLE VI.

GENERAL PROVISIONS

Section 1. **Enforcement.** The Declarant, or any Owner, shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the

Declarant or by any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. **Amendment.** The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
